

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT OF)	
CAMPBELL COUNTY KENTUCKY WATER)	CASE NO. 94-020
DISTRICT)	

O R D E R

On January 24, 1994, Campbell County Kentucky Water District ("Campbell County") filed its application with the Public Service Commission ("Commission") for the purpose of adjusting its rates pursuant to the purchased water adjustment procedure. KRS 278.015 and 807 KAR 5:068.

The Commission, having reviewed the evidence of record and being otherwise sufficiently advised, finds that:

1. Campbell County purchases water from two suppliers, City of Newport ("Newport") and Kenton County Water District ("Kenton County").

2. Effective November 1, 1993, Newport decreased its rate for wholesale water from \$.65 per 1,000 gallons to \$.60 per 1,000 gallons.

3. Campbell County proposed to decrease the rates to its customers effective November 1, 1993.

4. During the 12 months ending November 30, 1993, Campbell County purchased 1,430,386,500 gallons of water from Newport and 855,566,000 gallons of water from Kenton County. During that same

period of time, Campbell County sold 1,777,925,700 gallons of water.

5. Campbell County's purchased water adjustment calculations show a decrease in purchased water cost of \$71,519, resulting in a purchased water adjustment of 4.02 cents per 1,000 gallons. Based on an average quarterly usage of 15,000 gallons, quarterly bills to Campbell County customers will decrease from \$49.33 to \$49.28, a decrease of 1.2 percent.

6. The rates proposed by Campbell County are incorrect in that bills for 3/4 inch, 1 inch, 3 inch, and 6 inch meters have been miscalculated. The correct rates are shown in Appendix A.

7. The purchased water adjustment of 4.02 cents per 1,000 gallons and the rates in Appendix A, attached hereto and incorporated herein, are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The minimum bills for an 3/4 inch, 1 inch, 3 inch, and 6 inch meters are hereby denied.

2. The purchased water adjustment of 4.02 cents per 1,000 gallons and the rates in Appendix A are approved for services rendered on and after November 1, 1993.

3. Within 30 days of the date of this Order, Campbell County shall file revised tariff sheets setting out the rates approved herein.

Done at Frankfort, Kentucky, this 3rd day of March, 1994.
